Have plans been submitted? (See below for plan review requirements before completing this section.) Yes ___ No ___ Not Required ___
Plans are not required for the following:
1. One-and-two-family dwelling containing not more than 3,500 square feet of building area.
2. Alterations and repair work determined by the plumbing official to be of a minor nature.
3. Assembly, Business, Mercantile, and Storage buildings with a required plumbing fixture count less than 12.
4. Work completed by a governmental subdivision or state agency costing less than \$15,000.00.
If work being performed is described above, answer this section as "Not Required".
Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 229 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's signature and seal. Plans must be submitted before a permit can be issued.

RESIDENTIAL ONLY:
Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subjected to civil fines.
Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Homeowner Affidavit below). Date:
Homeowner Affidavit: I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home which I am living or about to occupy. All work shall be installed in accordance with the Plumbing code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Plumbing Inspector. I will cooperate with the Plumbing Inspector and assume the responsibility to arrange for necessary inspections.
